

FOR COACHES, CONSULTANTS AND VENDORS TO THE TRADES

# KNOW A TRADE OWNER WHO NEEDS A WORK VEHICLE? INTRO THEM. GET PAID WHEN IT'S DELIVERED.

You already work with home-service owners. When one needs a van or truck, send them to Michael. We handle the rest, and you get a check per vehicle.

## WHAT GLYNN FLEET DOES FOR YOUR CLIENTS

|                                                                                          |                                                                                   |                                                                                |                                                                        |                                                                       |
|------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|--------------------------------------------------------------------------------|------------------------------------------------------------------------|-----------------------------------------------------------------------|
| <b>01</b><br><b>SOURCING</b><br>The right van or truck for the job, found and locked in. | <b>02</b><br><b>FINANCING</b><br>Leasing and commercial loans. Startups included. | <b>03</b><br><b>UPFIT</b><br>Shelving, racks, and storage built for the trade. | <b>04</b><br><b>WRAP</b><br>Branded so the truck markets the business. | <b>05</b><br><b>DELIVERY</b><br>Handed over ready to roll on day one. |
|------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|--------------------------------------------------------------------------------|------------------------------------------------------------------------|-----------------------------------------------------------------------|

## YOUR PAYOUT, PER VEHICLE

| VEHICLE                                                     | STANDARD     | 5+ UNITS / QUARTER |
|-------------------------------------------------------------|--------------|--------------------|
| <b>Vans</b><br>ProMaster, Transit, Sprinter                 | <b>\$750</b> | <b>\$1,000</b>     |
| <b>1500 / 2500 trucks</b><br>Half-ton and three-quarter-ton | <b>\$500</b> | <b>\$650</b>       |
| <b>Small trucks</b><br>Compact and mid-size                 | <b>\$200</b> | <b>\$250</b>       |

Paid per vehicle once it's delivered and funded. Fleet orders of 3+ get the higher rate on every unit.

## PROGRAM RULES

## HOW IT WORKS

|                                                                                                   |                                                                                                            |                                                                                     |
|---------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| <b>1 MAKE THE INTRO</b><br>Connect the owner with Michael. A quick DM or group message is plenty. | <b>2 WE HANDLE EVERYTHING</b><br>Sourcing, financing, upfit, wrap, and delivery. You don't chase anything. | <b>3 YOU GET PAID</b><br>Vehicle delivered and funded, payout lands within 15 days. |
|---------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|

## WHO'S A GREAT REFERRAL

- **Growing shops** adding techs and need another van
- **New trade businesses** buying their first van
- **Franchisees** setting up or expanding a territory
- **Owners replacing aging trucks** before they break down

|      |          |            |         |              |             |                     |
|------|----------|------------|---------|--------------|-------------|---------------------|
| HVAC | PLUMBING | ELECTRICAL | ROOFING | PEST CONTROL | LANDSCAPING | FRANCHISE OPERATORS |
|------|----------|------------|---------|--------------|-------------|---------------------|
